Burnout Summer

A Novel

Jenna Ramirez

For fans of Tessa Bailey, Emily Henry, and Elle Kennedy: a beachy friends-to-lovers romance through a post-grad journey that will have readers cheering (and falling in love!) along.

Summary

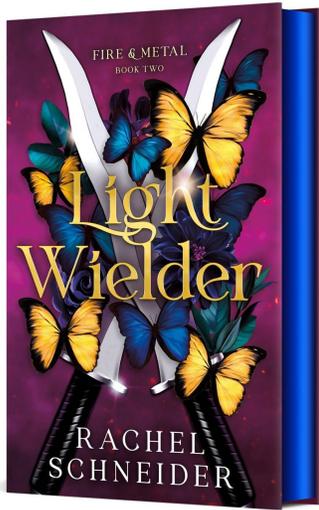

Four years after graduation, life isn't going the way Camille Luna expected. Her corporate career is soul-sucking, she's in debt from student loans, and her breakup has created a serious rift between her college best friends. When her spiraling lands her in jail for the night, it's Danny—the lovable burnout from their college clique—who bails her out and offers the perfect solution to her quarter-life crisis: a summer by the beach.

Cam lets herself be whisked away to Elswick, Rhode Island where Danny, who never had his own life together but was always there for Cam, has taken over his uncle's seaside restaurant and turned it into the spot. Danny, once the designated slacker of their friends, is now a beloved boss and doting dog dad. The hazy summer days start to blur between shifts at the restaurant, dips in the ocean, and a reignited passion for writing, all alongside Danny who makes her laugh like nobody else. Cam can't help but wonder—is it the salty waves that have her feeling so free, or is it the friend she never gave a chance? But summer can't last forever, and Cam's looming student debt reminds her at every turn that the frigid air of corporate office life is waiting.

As Labor Day approaches, Cam must decide between snuffing out the flames with Danny in order to keep her beloved friend group together and returning to the corporate grind—or leaning into Danny's carpe diem arms to burn her old life down.

JENNA RAMIREZ was raised outside of Washington, D.C. in the Maryland suburbs, until college brought her to the West Coast. After graduating from the University of Southern California, she remained in sunny Los Angeles, where she works in entertainment marketing. When she's not writing, she spends her free time complaining about the lack of rain, ranking chai lattes in the city, and chasing her crazy rescue Chihuahua Fitzwilliam, named after the equally prickly Mr. Darcy.

Light Wielder

Fire & Metal: Book Two

Rachel Schneider

War rages, loyalties are tested, and love is more perilous than ever in this thrilling and eagerly awaited sequel to the breakout hit METAL SLINGER.

Summary

*** This stunning luxe edition includes a jacketed printed case with custom character art, full-color designed endpapers, gilded edges and foiled cover elements. While supplies last! ***

It's been four years since Jovie betrayed Acker, fracturing their relationship. Her decision to take King Edmond's magic, sparing his life at Acker's request, has sparked a brutal war. The Kenta and Strou forces ally against the Roison and Alaha, with Maile perched dangerously on the edge of their battles.

Jovie is determined to keep the innocent Maile people from a conflict she helped start—even if it means suppressing the Matching Bond and sacrificing any hope of repairing her relationship with Acker. Yet, visions of him continue to haunt her dreams.

Acker is resigned to aid in his father's war while in an arranged marriage with a wife who detests him. Though still pained by Jovie's deception, he can't stop his thoughts from turning to her. And Acker has found a way to slip into Jovie's dreams despite her attempts to stifle the Matching Bond. There he watches her, torn between his loyalties and desire.

When he discovers the chilling reason behind the return of his father's magic, as well as Edmond's dangerous new alliance, Acker must finally decide which war he wants to fight: the one for his king or the one for his heart.

Sisterhood Above All

A Novel

Kathleen Barber, Amayah Shaienne

Any girl would kill to be a Gamma.

Summary

Being a Gamma at Southern State University means belonging to the most desirable, exclusive sisterhood there is. For Ava, it means even more—it's the last connection she has to her beloved late mother, and she'll do anything to wear the Gamma letters.

But the Gammas didn't become the best house on campus by letting just anyone in, and every prospective pledge is expected to earn her spot. As president, Madison is the ultimate gatekeeper, and she has a special test for Ava.

Rival sorority Theta is nipping at the Gammas' heels for the top spot on campus, and president Shay is proud they've gotten there by rising above the hyper-competitive gamesmanship that consumes other houses. She knows she's made some enemies in her quest to change the Greek system from the inside, but she can't imagine the depth of Madison's resentment for her ... or how far Ava will go to become a Gamma.

The sisterhood, the parties, the elite status—and the connection to her mother—are what Ava has always wanted, but she never guessed the cost of membership would be so high. Three women, two houses, one dead body: rush has never been this messy.

Contributor Bio

KATHLEEN BARBER is the author of *Truth Be Told*, which was adapted as a series on AppleTV+, *Follow Me*, and *Both Things Are True*. A certified book coach and former attorney, she lives in Washington, DC, with her family.

The Divine Gardener's Handbook

Or What To Do If Your Girlfriend Accidentally Turns Off the Sun

Eli Snow

A joyful science fantasy debut about love, ambition, and toxic work culture, perfect for fans of Tamsyn Muir and Rebecca Thorne.

Summary

Cyprin grows perfect apples.

No other worker tends the orchards like she can. Sick of living in a Jenga-esque megacity where she's never alone (there's always a rat), Cyprin dreams of a job in the Divine Gardens, tending to the plants overseen by God.

Her only way in is to win an annual flower pageant—one that's been dominated by the Divine Gardens' head gardener for five years: an insufferable woman with an undeniable affinity for plants. When Cyprin plays dirty (criminally dirty) and wins, she jumps headfirst into the gardens and her rivalry with the head gardener who she can't stop thinking about.

Pranks, backstabbing, and a lot of heated glaring unite them, until they're both drawn into a plot to take down God—who's really just some guy with a great garden. As they spiral through layers of the city's history and underground rebel group, Cyprin and her rival find they understand each other like no one else, even if there can only be one head gardener in the end.

But rise or fall, at least Cyprin will always have the rats.

Contributor Bio

ELI SNOW (they/them) is a speculative fiction writer, editor, and former medical geneticist, based in rural Australia with their two cats. Their work tends to center queer and neurodivergent characters, as these are the perspectives they experience the world from. When not reading or writing, they should be checked for signs of life. Eli also writes YA Fantasy under the name Elias Cold. Their YA debut, *The Duke Steals Hearts*, is available now from Page Street Kids.

Quotes

"The kind of novel that makes you want to stay up late reading." —E.B. Asher, *USA Today* bestselling author of *This Will Be Fun*

"Unique, clever, and charming." —Sarah Beth Durst, *New York Times* bestselling author of *The Spellshop*

"This book is pure Chaotic Good—queer, wildly imaginative plant-based hopepunk that you'll want to inject directly into your veins." —Julie Leong, *USA Today* bestselling author of *The Teller of Small Fortunes*

"An exciting romp through a lush garden of unexpected delights." - Samantha Sotto Yambao, author of *Water Moon*
