Color and Solve: Vacation Vengeance

Color the Crime Scene, Analyze the Clues, and Solve the Murder Mystery!

Alessandra Santelli

The hit series where coloring and crime-solving collide is back!

Summary

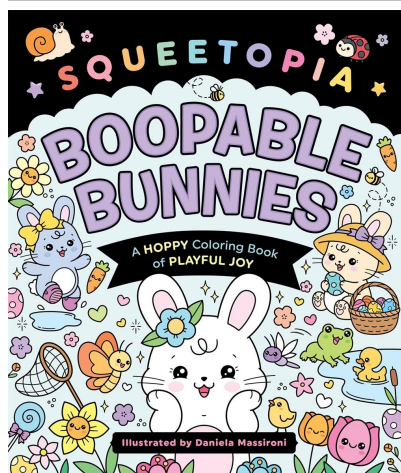

Pack your colored pencils and your sense of adventure. It's going to be a killer vacation. The victims of *Color and Solve: Vacation Vengeance* quickly discover that murder doesn't take a holiday. When their five-star island resort becomes a hot spot for dangerous crimes, the real luxury is staying alive. Featuring suspicious characters, illustrated crime scenes, and intriguing clues, this curious coloring book presents full-page murder puzzles with accompanying art of the crime scene and characters involved. A leading clue at the end of each crime puzzle prompts the reader to color as they examine the details of each case.

- Why did the resort monkeys attack a friendly security guard?
- What's really inside the orchid-scented welcome drink?
- How did a famous singer wind up dead and floating in the infinity pool?

Color and Solve fans will need a mind for clues and red herrings alike! Readers and viewers of all things Agatha Christie, *Only Murders in the Building*, and true crime podcasts can get their fix by playing the detective and considering the clues to solve more than 38 mysteries and murders set in or near a fabulous five-star resort.

Starcana: Desert Dreams

A Coloring Book of Mystical Landscapes

Ash Miyagawa

A world of magic written in sand and starlight

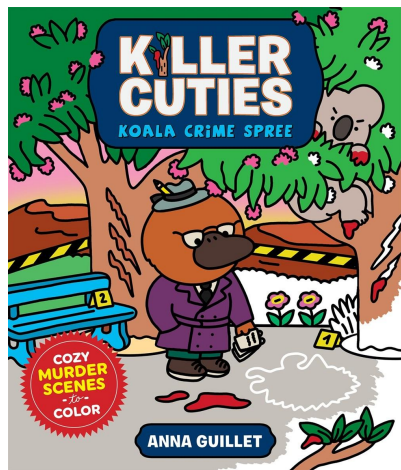

Summary

From the artist that brought advanced colorists *Moon Magic*, *Green Magic*, and *Shadow Magic* comes *Starcana: Desert Dreams*. This gorgeously illustrated book draws its audience into luminous desert realms where ancient symbolism and celestial mystery intertwine, and every intricate detail glows with quiet enchantment. This spellbinding new volume in the beloved *Starcana* coloring series presents more than 45 exquisitely illustrated scenes—each one a vision shaped by moonlit dunes and mystical forces. Cacti, desert roses, coyotes, snakes, scorpions, and succulents weave through radiant full moons, crystal talismans, jeweled hands, and drifting incense smoke, creating a world where nature and magic exist in shimmering balance.

With Ash Miyagawa’s signature blend of ornate detail and ethereal atmosphere, *Starcana: Desert Dreams* offers fans of astrology, adult coloring, and beautifully mystical design an irresistible journey into a desert where every symbol holds meaning and every page invites wonder.

Contributor Bio

ASH MIYAGAWA is a multidisciplinary illustrator and designer based in Chicago, Illinois. Her dark and delicate illustrative work is rooted in esoteric symbols found in the natural world and beyond—allowing one to reveal new narratives for themselves in interpretation of the details. In her spare time, she can be found insect pinning, walking along Lake Michigan or curling up to read with her two black cats, Fig and Jasper.

Killer Cuties: Koala Crime Spree

Cozy Murder Scenes to Color

Anna Guillet

A charmingly unhinged coloring book of sleepy smiles and lethal claws

Summary

Beneath that fluffy facade lurks a murderer! *Killer Cuties: Koala Crime Spree* introduces a marsupial menace so slow and cuddly you'd never suspect its true nature. Inside this sweet and sinister coloring book, amateur sleuths will spot koalas "napping" next to suspiciously shredded and bloodstained picnic blankets, lying in wait among the eucalyptus leaves to drop onto their next victim, and turning cute bakeries, bookstores, gardens, and more into comically chaotic crime scenes. This cozy coloring escape is perfect for horror fans, kawaii enthusiasts, and those who know better than to trust a fuzzy creature with razor-sharp talons.

Contributor Bio

ANNA GUILLET is a graphic designer and illustrator based in Toulouse, France. In her spare time, she loves going to the movies, devouring comics, cooking delicious meals, and watching people stroll along the banks of the Garonne with her drawing tablet in hand.

Floriographic: World of Flowers

An Artist's Coloring Book of Botanical Wanderlust

Vasilisa Romanenko

A globe-trotting garden journey into the language of the flowers for coloring artists

Summary

The gorgeous *Floriographic* series of lush gardens with secrets to tell presents an all-new coloring book for advanced artists. *Floriographic: World of Flowers* reveals the language of the flowers through highly detailed illustrations of blossoms flourishing in magical locales worldwide, accompanied by thought-provoking yet poetic explanations. Flower and coloring enthusiasts can communicate messages and catch the hushed whispers of every postcard-perfect garden and exotic bouquet.

Contributor Bio

VASILISA ROMANENKO is a Connecticut-based illustrator, designer, and fine artist who depicts the mystery, beauty, and fragility of nature through the use of botanical elements, intricate patterns, and animals. She sees her art as windows into a magical world, much like the one she enjoyed getting lost in as a child while reading fairy tales. Though she attributes much of her artistic experience to her artist parents, she holds a degree in Illustration from the Fashion Institute of Technology.

Mythogoria: Demon Hunters

A Dark Coloring Book of Monster Slayers

Chellie Carroll

The line between demon and hunter has never been thinner

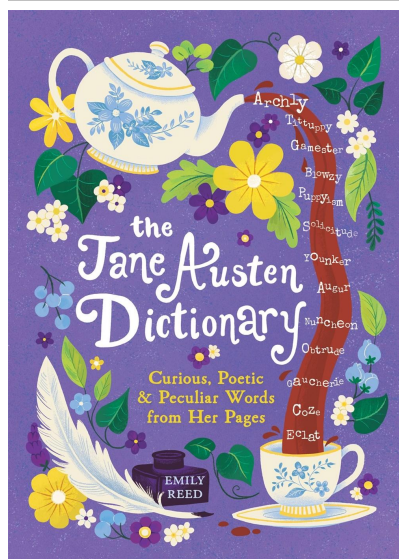

Summary

Mythogoria: Demon Hunters draws its audience into vast, shadow-soaked realms where justice fractures and every exquisite detail hides something disturbingly wrong. This chilling new volume in the beloved *Mythogoria* coloring series presents more than 45 intricately illustrated nightmares—each one a scene from a world locked in an endless hunt. Twisted creatures, masked vigilantes, cursed streets, forbidden rituals, and ruined sanctuaries alive with violent purpose fill the pages, inviting colorists to explore a labyrinth of obsession, fear, and blood-stained heroism.

With the artist's signature blend of ornate detail and unsettling atmosphere, *Mythogoria: Demon Hunters* offers fans of eerie fantasy, moral ambiguity, and beautifully macabre design an irresistible glimpse into a realm where monsters are hunted... and the hunters may be just as monstrous.

The Jane Austen Dictionary

Curious, Poetic & Peculiar Words from Her Pages

Emily Reed

A most agreeable gathering of words and quotes from Jane Austen

Summary

Enjoy a diverting turn through the English language circa the Georgian Era with book lovers' favorite authoress: Jane Austen. Each deliberately chosen word—from solicitude, felicity, and approbation to vexatious and artless—tells a story of its own. Featuring their meanings and modern takes, quotes and quips from Austen herself, and an enchanting design worthy of a Regency desk, *The Jane Austen Dictionary* is the perfect companion for fans who admire the writer's wit, wisdom, and well-timed retorts.

Sample:

vouchsafe (v.): To grant, bestow, or allow, often with an air of superiority or ceremony.

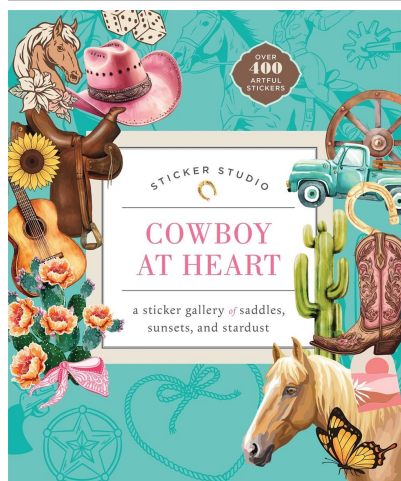

Austen's World: *Vouchsafe* signals a favor filtered through social rank and expectation, reluctant civility rather than warmth.

In the Books: "He begged to know to which of the ladies he was to apply for the honour of dancing with them, and was extremely anxious that they should *vouchsafe* to stand up with him."—*Pride and Prejudice*

Modern Mood: A word for invitations issued like obligations, information shared sparingly, or favors granted with raised eyebrows, *vouchsafe* always reminds you who's in charge.

Contributor Bio

EMILY REED is a freelance writer from Bloomfield, New Jersey, who often finds herself wondering "What Would Jane Do?" in irksome social interactions.
