Hunted

Deluxe Edition

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

"I'm not gonna bite you. Again."

Zoey Redbird's world is falling apart.

Neferet is stronger than ever and standing guard over her powerful new consort, Kalona, who has the House of Night under his spell. To stop him, Zoey must unlock a secret stored in a past life. But the truth waiting there could shatter everything she believes about herself.

The red fledglings seem to have changed. They're clean and controlled, almost...*normal*? Zoey can't shake the feeling that something beneath the surface is very, very wrong.

Her love life is no less complicated. Erik wants a second chance. And then there's Stark. The warrior who died in her arms. The one she can't let go of. He's still out there, and every second they're apart brings him closer to Neferet's sinister influence.

Evil doesn't always look like evil. And if Zoey can't make the right call in time, what does that mean for the future of the House of Night?

Contributor Bio

Tempted

Deluxe Edition

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

"We'll always be best friends."

Kalona and Neferet have been banished from Tulsa. But victory always comes at a cost.

Zoey and Stark are still reeling from a brush with death as the House of Night struggles to recover from the fallout from Neferet's reign of terror. Worse, Zoey is no longer alone in her own mind.

A-ya—the ancient indigenous maiden who once ensnared Kalona's body and soul—lives within her. Her memories, *her desires*, pulse beneath the surface. And Kalona is still out there...waiting.

Stevie Rae is keeping secrets. A mysterious, threatening force lurks in the tunnels. And it's growing stronger. Every lie pushes the two friends further apart until Zoey is left to wonder just how much she can trust the person she always believed would have her back.

The choices they make now could tear them apart and destroy the House of Night forever.

Burned

Deluxe Edition

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

"She's not dead, but it's not good."

Zoey Redbird is gone. Her soul has shattered, leaving her trapped between worlds. Every second that passes pulls her farther from the people who need her and closer to a place she may never return from. If she can't find her way back, everything she's fought for will collapse. Oh, and just one more little thing—she'll die.

Stark refuses to let her go without a fight. As the only living person who can reach her, he'll risk anything to bring her home—even if that means stepping into a realm where death is only the beginning.

Back at the House of Night, Stevie Rae is barely holding things together. The red fledglings are restless, and her boyfriend, Dallas, is asking too many questions. The truth is, Stevie Rae's hiding a secret that could save Zoey...or destroy them all.

In the middle of the whole mess is Aphrodite. Her visions have always been unpredictable, but now someone more powerful is speaking through her. Nyx, the goddess herself, is using Aphrodite as a vessel, and what she reveals could change the House of Night for good.

Hope is slipping away, time is running out for Zoey, and bringing her back may ask more than anyone is ready to give.

Awakened

Deluxe Edition

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

"You're back, Z. Really back. And you're safe."

Exonerated by the Vampyre High Council and returned to her position of High Priestess at the House of Night, Neferet has sworn vengeance on Zoey. But Zoey Redbird is far from Tulsa. On the Isle of Skye, she's found sanctuary—and so much more. Under Queen Sgiach's guidance, Zoey is being shaped into a leader...a queen. And a life of power and purpose far from everything and everyone she's lost is too good to give up.

Heath is gone. Stark is different. And the person she used to be feels like a memory. Back home, lines are blurring in ways no one is ready to face.

Stevie Rae is falling for Rephaim—a Raven Mocker bound to darkness, torn between the father who commands him and the girl who's changing him. Whatever choice he makes will end in betrayal.

Love or duty? Safety or sacrifice? Zoey and Stevie Rae must each choose. And after those choices will they remain friends or will Z's soul just be the first thing that was shattered by hard choices?

Divine Rivals

A Novel

Rebecca Ross

A beautiful paperback edition of the blockbuster bestseller, *Divine Rivals*!

Summary

When two young rival journalists find love through a magical connection, they must face the depths of hell, in a war among gods, to seal their fate forever.

After centuries of sleep, the gods are warring again. But eighteen-year-old Iris Winnow just wants to hold her family together. Her mother is suffering from addiction and her brother is missing from the front lines. Her best bet is to win the columnist promotion at the Oath Gazette.

To combat her worries, Iris writes letters to her brother and slips them beneath her wardrobe door, where they vanish—into the hands of Roman Kitt, her cold and handsome rival at the paper. When he anonymously writes Iris back, the two of them forge a connection that will follow Iris all the way to the front lines of battle: for her brother, the fate of mankind, and love. *Divine Rivals* is an epic enemies-to lovers fantasy novel filled with hope and heartbreak, and the unparalleled power of love.

Contributor Bio

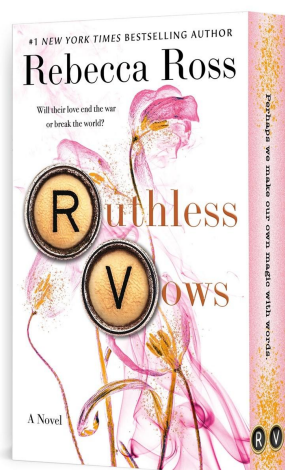

REBECCA ROSS is the #1 *New York Times* and *Sunday Times* bestselling author of fantasy books for teens and adults. She has written multiple highly acclaimed duologies. When not writing, she can be found in her garden where she plants wildflowers and story ideas. She resides in Northeast Georgia with her husband and her dog. Find her on Instagram @beccajross or online at www.rebeccarossauthor.com.

Quotes

"If stories had scent, this one would smell like a mug of black tea, the ink ribbons of a typewriter, and that addictive spice called enemies to lovers." —Shelby Mahurin, *New York Times* bestselling author of *Serpent & Dove*

"Ross weaves her stories in such a vulnerable and delicate way, truly with a style all her own." —Adalyn Grace, *New York Times* bestselling author of *Belladonna*

"Deeply romantic and beautifully written, I absolutely loved it." —Rachel Griffin, *New York Times* bestselling author of *The Nature of Witches*

Ruthless Vows

Rebecca Ross

The epic conclusion to the Letters of Enchantment duology, now in a gorgeous paperback edition!

Summary

Will their love end the war or break the world?

Two weeks have passed since Iris Winnow returned home bruised and heartbroken from the front, but the war is far from over. Roman is missing, and the city of Oath continues to dwell in a state of disbelief and ignorance. When Iris and Attie are given another chance to report on Dacre's movements, they both take the opportunity and head westward once more despite the danger, knowing it's only a matter of time before the conflict reaches a city that's unprepared and fracturing.

Since waking below in Dacre's realm, Roman cannot remember his past. But given the reassurance that his memories will return in time, Roman begins to write articles for Dacre, uncertain of his place in the greater scheme of the war. When a strange letter arrives by wardrobe door, Roman is first suspicious, then intrigued. As he strikes up a correspondence with his mysterious pen pal, Roman will soon have to make a decision: to stand with Dacre or betray the god who healed him.

As the days grow darker, inevitably drawing Roman and Iris closer together, the two of them will risk their very hearts and futures to turn the tides of the war. Filled with romance, longing, and a race to save each other and those they care about, *Ruthless Vows* is the epic conclusion to *Divine Rivals* and Iris and Roman's breathtaking love story.

Contributor Bio

REBECCA ROSS was born and raised in Georgia, where she continues to reside with her husband, her lively Australian Shepherd, and her endless piles of books. She loves coffee, the night sky, chalk art, maps, the mountains, and growing wildflowers in her yard. And a good story, of course. She is the author of *The Queen's Rising*, *The Queen's Resistance*, *Sisters of Sword and Song*, *Dreams Lie Beneath*, *A River Enchanted*, the Letters of Enchantment series, and *Wild Reverence*.

Quotes

Praise for *Divine Rivals*:

"A sweeping start to a beautiful and romantic new series. Ross weaves her stories in such a vulnerable and delicate way, truly with a style all her own. I adored this book." - Adalyn Grace, *New York Times* bestselling author of *Belladonna*

"Deeply romantic and beautifully written, *Divine Rivals* is a story that lingers long after the final page. Set in a world steeped in mythology, Iris's journey to the front is both fascinating and moving, with an ending that will leave readers aching for the next book. I absolutely loved it." —Rachel Griffin, *New York Times* bestselling author of *The Nature of Witches*

Oxford Secrets

Rachael Davis-Featherstone

The second novel in Rachael Davis-Featherstone's gripping dark academia duology, examining power, privilege, and the toxic potential of social media.

Summary

Rumours, Rivalry, Ruin,

It's Freshers' Week at Oxford University, and Eva is determined not to let the tragic death of her best friend George—or the notoriety she gained solving his murder—define her. Instead, she's focused on acing her tutes, writing for *The Oxford Voice*, and maybe even getting to know Malik, her charming new American hallmate. Though try as she might, Eva can't deny her growing feelings for Xander. Ones that serve as an aching reminder of their shared connection to George every time they start to get close.

But when Oxford's anonymous student forum, Oxford Slays, is targeted by a hack, Eva finds herself at the center of yet another controversy. Eva's public criticism of Oxford Slays and its negative impact on student wellbeing means all eyes are on her as the true identities behind the Slayer usernames are leaked.

It's up to Eva to discover who engineered the hack and clear her name. As Eva's investigations reveal deadly secrets, it isn't long before Oxford blood is spilled again.

Contributor Bio

RACHAEL DAVIS-FEATHERSTONE is a mixed-raced, Black-British, multi-award-nominated author of over twenty books, literary agent, and cofounder of Creative Roots Studio. She grew up in a low-income, single-parent family and studied mathematics at Oxford University before receiving a master's in English literature at Surrey University. Her books have been shortlisted for the Waterstones Children's Book Prize and the Inclusive Books for Children Awards, and longlisted for the Diverse Book Awards.

Quotes

Praise for *Oxford Blood*:

"Satisfying and briskly paced action enlivens the novel's smooth plotting." —*Publishers Weekly*

"Readers who love Holly Jackson, Karen McManus, and E. Lockhart will find this book difficult to put down." —*School Library Journal* (starred review)

"This is a dark academia mystery as well as social commentary...Readers will find a quality whodunit that also dares to confront the legitimacy of the social hierarchies created when not everyone was afforded human dignity." —*Booklist*

Oxford Blood

Rachael Davis-Featherstone

The first in a duology of compelling and skillful dark academic thrillers from a brilliant new voice in YA fiction. Now in paperback!

Summary

Love, Lies, Legacy...

Eva has one dream: to study English at Oxford University. Not only will she receive a world-class education – getting into Oxford is a path to freedom.

But when Eva and her best friend George are invited to interview week, they find themselves in the cutthroat ultra-competitive world of elite academia, and at the center of gossip on anonymous student forum Oxford Slays. When Eva finds George dead near the steps of a statue in the college, she knows he's been murdered – but all eyes are now on her. Can she clear her name, catch the true killer and win her place at Beecham College?

Eva has one week to prove her innocence, and Oxford Slays will be watching.

Oxford Blood is a riveting murder mystery thriller, packed with narrative twists and turns, complex and appealing characters and a captivating, authentic setting in its searing examination of the true cost of privilege.

Gilded Wings

Emily Thiede

Two fiery hearts are ready to spark a revolution in this swoony fantasy romance - with dragons! - perfect for fans of *The Buccaneers*, *Newsies*, and *The Gilded Wolves*.

Summary

Stella has always felt invisible in a world where standing out means survival. In this magical gilded age, the jewels and vibrant attire of the wealthy aren't just decoration: they're protection from the dragons that hunt at night. When she runs away to the big city to escape an unwanted betrothal and find adventure as a factory girl, Stella knows the danger circling above, but she's not prepared for the threats on the ground.

Gentry is a street-wise newsie—charming and devilishly handsome—hiding a secret worthy of the front page. He's captivated by the beautiful girl from the countryside, until he discovers he's missing something priceless. *Is* she a fresh-from-the-farm innocent or a pickpocket who conned him? Either way, his life's on the line unless he hunts her down to retrieve it.

As dragon attacks escalate and grow erratic, scores of cat-sized, thieving miniature dragons called infaerna start going missing—and another factory goes up in flames. Stella and Gentry must go undercover among the wealthy elite to expose what—or who—is conspiring to control a city on the brink.

Emily Thiede's captivating fantasy romance, *Gilded Wings*, explores a decadent and dangerous world where all that glitters is deadly and the powerless must stand together to fight for love and survival.

Contributor Bio

EMILY THIEDE spent her childhood daydreaming and reading in trees. A former public school teacher, she serves as Vice Chair of the board for Writer House, a writing nonprofit, and has mentored aspiring writers through the Pitch Wars mentorship program. Emily enjoys fostering rescue kittens and getting lost in the woods of central Virginia, where she lives with her family. She is the author of *This Vicious Grace* and *This Cursed Light*.

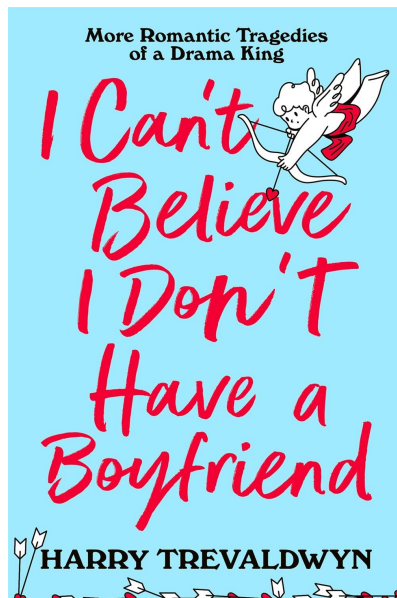

Quotes

Praise for *This Vicious Grace*:

"One of the best fantasies of the year." - *Buzzfeed*

"Effortlessly romantic, thrillingly immersive, and more than worth your time this summer." - *Paste Magazine*

"A high-stakes romp that brims with deadly magic, sparkling chemistry, and the deep yearning for connection in an alienating world. Prepare to fall head-over-heels" - Allison Saft, *New York Times* bestselling author of *A Fragile Enchantment*

I Can't Believe I Don't Have a Boyfriend

More Romantic Tragedies of a Drama King

Harry Trevaldwyn

Filled with just as much laugh-out-loud humor as *The Romantic Tragedies of a Drama King*, *I can't believe I Don't Have a Boyfriend* is the poignant second novel in the Patch Simmons duology.

Summary

Days have passed since Patch and Sam had their first kiss, but somehow, Patch *still* doesn't officially have a boyfriend. To make matters worse, it seems everyone around him is preoccupied with romance—Flora has a new crush, Jean is acting strangely about the boy she's tutoring, and even Patch's mum has been smiling with alarming frequency at her phone. No matter, he has a plan: all Patch has to do is prove to Sam what a romantic he is, and he won't be able to help but fall in love (obviously).

Except, when Sam and Patch are placed on different teams for the town's short-film competition, it looks like there's going to be a lot more distance between them than he'd initially planned. And a lot *less* distance between him and Sam's best friend, Peter, who only recently confessed his undying love (okay, maybe a slight exaggeration) for Patch. It's getting harder to ignore the butterflies Patch feels whenever they spend time together, but he and Sam are perfect for each other—aren't they?

Patch basically has a boyfriend now, but get ready for him to embark on an even bigger challenge. . . keeping him.

Contributor Bio

HARRY TREVALDWYN is an actor, comedian, and writer born in Oxford. His acting credits include *Ten Percent*, *The Outlaws*, and *How To Train Your Dragon*, and he has multiple writing projects in development with leading production companies. He is also the author of *The Romantic Tragedies of a Drama King*, which is surprising when you find out how long it took him to spell his last name.

Quotes

Praise for *The Romantic Tragedies of a Drama King*:

"A winning debut: the perfect blend of hilarious and heartfelt." —*Kirkus* (starred review)

"Like a car wreck sitcom: impossible to look away from in the best way possible. It is difficult to imagine fans of *Heartstopper* not loving Patch and his larger-than-life personality on the quest for love." —*School Library Journal* (starred review)

"Actor Trevaldwyn crafts a sparkling debut starring an aspiring teen actor living in small-town England." —*Publishers Weekly*

Where There's Room for Us

A Novel

Hayley Kiyoko

#1 *New York Times* bestselling author Hayley Kiyoko brings us a young adult novel set in a reimagined 1880s Victorian England where everyone is free to love whoever they choose. Now in paperback!

Summary

When her brother unexpectedly inherits an English estate, the outspoken and infamously daring poet, Ivy, swaps her lively New York life for the prim and proper world of high society, and quickly faces the challenges of its revered traditions—especially once she meets the most sought-after socialite of the courting season: Freya Tallon.

Freya's life has always been mapped out for her: marry a wealthy lord, produce heirs, and protect the family's noble status. But when she unexpectedly takes her sister's place on a date with Ivy, everything changes. For the first time, she feels the kind of spark she's always dreamed of.

As Ivy and Freya's connection deepens, both are caught between desire and duty. How much are they willing to risk to be true to themselves—and to each other?

Inspired by Hayley Kiyoko's own experiences and classic favorites like *Little Women* and *Pride and Prejudice*, *Where There's Room for Us* is a romance set in a world where society's expectations are everything—but love is so much more.

Contributor Bio

HAYLEY KIYOKO is an award-winning American singer, director, actress, and author. Described by *Rolling Stone* as being "at the forefront of an unapologetically queer pop movement," Hayley is a passionate advocate for LGBTQIA+ rights. She is a *New York Times* bestselling author for her debut novel *Girls Like Girls*, based on her hit single and music video of the same name, and is set to make her feature film directing debut with Focus Features in 2026.

Quotes

"The world building is exciting, and all in the wide cast are utterly charming. Ivy and Freya's romance is the beating heart that ties everything together; a delicious, historic love story that will have readers swooning." —*Booklist*

"This effervescent romance features an evocatively built world, strong, sympathetic characters, and sweet moments of yearning and connection....A delightful Sapphic historical romance with a social conscience." —*Kirkus*

What Makes a Monster

Emily Cooper

***Heavenly Bodies* meets *Divine Rivals* in this star-lit romantasy about a girl who tried to end the world—and now has to save it.**

Summary

In Velandor, where magic is ruled by the constellations, Celestine Savareau rots in prison after a failed attempt to end the world. All she wants is destruction and domination.

When she is offered a freedom deal, Celestine has little choice but to accept, even if it means going after her ex-lover and accomplice Aire. So Celestine joins the Nightguard, the protectors of Velandor, even as she plots to reunite with Aire and finish what they started.

Nightguard Kivessin would rather die than work with Celestine. His mother was killed during her arrest, and he's not about to forgive and forget. But when he learns that helping Celestine means taking her down if she goes rogue, he manages to set his razor-sharp morals aside.

As they commence training, Celestine must exploit her relationship with Aire to stay one step ahead. If she fails, the world will end—and she'd hate to die without exploring the undeniable tension which lingers between her and Kivessin.

In doing so, Celestine and Kivessin discover something neither of them wants to acknowledge: she might not be the monster they thought...

Contributor Bio

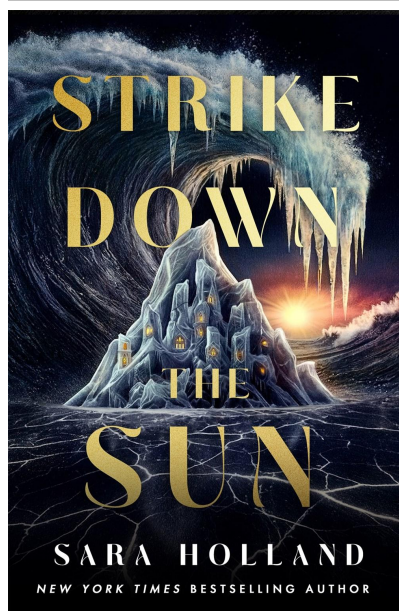

Emily Cooper is a fantasy author who worked in conservation before realising she preferred make-believe to reality. Emily lives in a haunted old house in the English countryside, alongside her long-suffering emotional-support spaniel and husband. When she isn't writing, you'll probably find her extolling the virtues of bumblebees, replaying her favourite video games, or conjuring up excuses to go snorkeling.

Quotes

Praise for *Season of Fear*:

"A must-read for fans of folklore, horror, monsters, and LGBTQIA+ fiction." —*School Library Journal* (starred review)

"Influenced by Bavarian folklore, this morbid, modern fairy tale is told in poetic prose. The descriptions of the evil found within the forest drip with malice and beauty in equal measure. Such a bewitching yet contemporary story feels critical for a YA horror collection." *?Booklist*

Strike Down the Sun

Sara Holland

In this captivating conclusion to the *Break Wide the Sea* duology, Annie and Silas must team up against all odds to save everything they hold dear.

Summary

Annie Fairfax is in hiding in the north. She's determined not to interfere in the war between humans and finfolk—convinced she'll only do more damage—but when she gets wind that the key to lifting the curse on her bloodline may lie back home in Kirkrell, she returns in secret, determined to do whatever it takes to free her family from heartbreak forever.

Meanwhile, Silas Price fights alongside the finfolk against the humans. But when a mistake during battle costs him the trust of the finfolk queen, she orders him to take up the search his mother began long ago for a weapon of legend—an artifact from an ancient myth that could lift the curse on the Fairfaxes and win the war for the finfolk, but could also unleash supernatural forces that tear the world apart.

When Annie and Silas realize that they're searching for the same thing, they reluctantly join forces, but are threatened by August's machinations and the ghost of their own thwarted romance. The two of them might be all that's stopping the whalers and finfolk from wiping each other out, but it remains to be seen which is stronger: the volatile attraction between them, or the seething bad blood.

Contributor Bio

Sara Holland is the author of *Havenfall* and the *New York Times* bestsellers *Everless* and *Evermore*. She grew up in small-town Minnesota and has held jobs in a tea shop, a dentist's office, and a state capitol building, to name a few. She now lives in New York, where she can be found exploring bookstores or finding new ways to get caffeine into her bloodstream.

Quotes

Praise for *Break Wide the Sea*:

"Sea-swept horror and folklore elements fuse into a pulse-pounding parable of gender, love, and power." —*Publishers Weekly* (starred review)

"An extraordinary work teeming with magic, intrigue, and strong emotion." —*Kirkus*

"A spellbinding nautical tale of love, grief, and decisions that make us human."
—Rebecca Ross, #1 *New York Times* bestselling author of *Divine Rivals*

"Mercilessly plotted and gorgeously written. I loved it right up to its gut-wrenching end." —Melissa Albert, *New York Times* bestselling author of *The Hazel Wood*

By Breath

P. C. Cast

In P.C. Cast's thrilling, romantic new YA fantasy, Maeve rescues a mysterious horse from the cold waters of her Scottish loch, only to discover he's a royal kelpie, bound to ancient magic.

Summary

This is Maeve's last summer in her favorite place: Loch Chon, Scotland. Here at her great aunt's stables, she rides and cares for the horses she loves, paints to her heart's content, and soaks up the magick of the Gateway to the Highlands. She's also been hired to lead trail rides by the new, luxurious resort that shares the loch shores. Soon, she can't resist spending more time with the resort's heir: the enigmatic Keir, who holds an endless supply of secrets.

There is more to this loch and its magick than Maeve could have ever imagined. She discovers that the stories her great aunt and Gran raised her on, of fairy Sith and their two courts, Seelie and Unseelie, are very real indeed—especially the tales of kelpies. On land they appear to be magnificent horses with manes strung with silver bells. In the waters of Scotland's lochs they shift to enormous water dragons who bond with their chosen Riders for life. Maeve cares for what she believes is a wounded stallion, only to discover she has befriended a royal kelpie who has been searching for his Rider. Has he found his Rider in Maeve? No kelpie has ever bonded with a human before. Can Maeve even complete the bonding or will it kill her and her kelpie?

Aided by a witch, a powerful kelpie, and two enemy Sith princes who each want to claim her heart, Maeve begins to realize there is magic that runs through her own veins. The only question is, will she survive it?

We Were Supposed to Find This

Emily Snyder

In this swoony, sapphic YA romance, time travel meets murder mystery when Everly realizes she isn't the first person to fall through time --and she won't be the last.

Summary

Every thirty years, the small farm town of Aurora is washed in light from Harmony's Comet. Local legends claim strange things happen when it appears in the sky: People disappear. Some say they slip through time.

The comet is due back this summer, but grieving Everly wants nothing to do with this reminder of her late mother. Then she meets the perfect distraction: fiery-haired and playful Sam, who's obsessed with nineties music and actual cameras. She puts Everly instantly at ease, but vanishes just as suddenly as she appeared.

When Everly accidentally slips thirty years into the past, she finds herself in 1998, where the Backstreet Boys and dial-up internet reign and no one's ever heard of a smartphone. There, she finds Sam again— and comes face-to-face with the unimaginable: her teenage mom.

Determined to understand this rip in time, Everly begins digging into the comet's link to local disappearances with the help of her mom and Sam. Because she has to find a way home...right?

But soon, Everly exposes dark secrets. Time may be malleable, but not every change is for the better. If Everly isn't careful, she'll risk an altered future— one without her mother or the girl she's falling for.

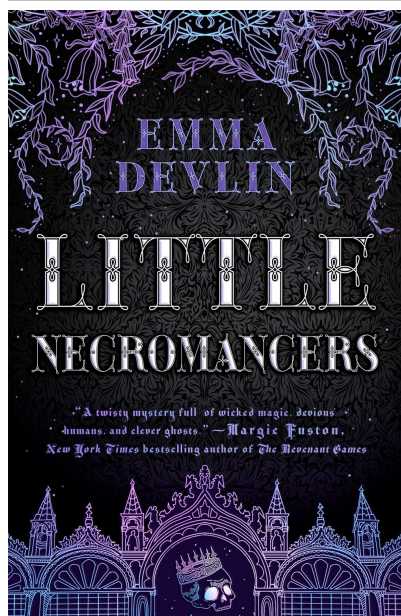

Contributor Bio

EMILY SNYDER grew up in New England, where she spent all her free time dreaming up stories about quiet girls with mysteries to solve, family drama to avoid, and cute people to reluctantly fall in love with. She enjoys tea, swimming, and board games that take entire evenings to play. When she's not writing, she can usually be found spending time with her family at their (probably not haunted) home in Salem, MA.

Quotes

"The perfect mixtape—nostalgic, heartfelt, with a romance that's impossible to forget. *We Were Supposed to Find This* is a love letter to the 90s, to mothers and daughters, and to the people we're destined to meet no matter what. I absolutely couldn't put it down!" —Mason Deaver, bestselling author of *I Wish You All the Best* and *Okay, Cupid*

"Packed with masterfully-plotted twists and turns, and a love story that crackles off the page, this gripping time travel romance is a rollercoaster ride readers won't soon forget." —Molly Morris, author of *Annie LeBlanc is Not Dead Yet*

Little Necromancers

A Novel

Emma Devlin

Blending a twisted murder mystery in the vein of *Knives Out* with some dark magic, *Little Necromancers* is a YA ghostly whodunnit perfect for fans of *The Inheritance Games* and *The Invocations*.

Summary

Eighteen-year-old psychic Mercy Hawkins is drowning in the exorbitant debt she owes to the necromancers who resurrected her parents. Ghost therapy is an unreliable source of income, and her death predictions never come to fruition, meaning no payout. So when those same necromancers—the powerful and affluent Granville family—come to her with an opportunity to wipe the slate clean, Mercy can't afford to refuse.

The Granvilles task her with convincing their youngest and most obstinate member, Julian, to come back to life after a brutal fall from his bedroom window. With her ability to see ghosts, only Mercy can reach him. But Mercy has her own reasons to believe that Julian's death was no accident, and one look at his bloodied ghost confirms her suspicions.

As her employers become her suspects, Mercy reluctantly teams up with the strange and hostile ghosts haunting the Granville estate. Together, they surreptitiously investigate Julian's murder, entrenching Mercy into a decades-long feud between the house's two factions—the ghosts, who invisibly cook, clean, and toil for the Granvilles, and the Granvilles themselves, who must acquiesce to the ghosts' every material demand in exchange for their service. Both sides are anxious to point the finger at the other . . . and both sides have secrets to kill for.

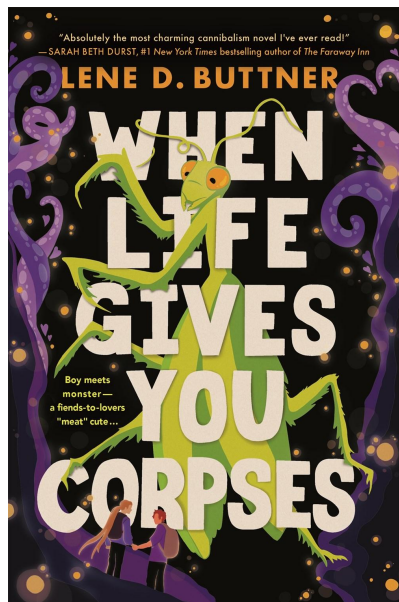

Contributor Bio

EMMA DEVLIN (she/her) has a BA in English from Providence College. She currently lives in Connecticut. *Little Necromancers* is her debut novel.

Quotes

"A twisty mystery full of wicked magic, devious humans, and clever ghosts, *Little Necromancers* will have you turning the pages well past midnight."—Margie Fuston, *New York Times* bestselling author of *The Revenant Games*

"Clever, fast-paced, and breathtakingly twisty . . . a must-read for fans of whodunits with a splash of dark fantasy. Devlin sets her mystery in a spooky alternate reality, one haunted by necromancers, ghosts, witches—and the complex humans at their core."
 —Tesia Tsai, author of *Deathly Fates*

When Life Gives You Corpses

Lene D. Buttner

In this delightfully cozy and creepy YA romp, a cave monster masquerading as a search-and-recovery guide intends to find and eat a lost wizard—but catches feelings for him instead.

Summary

Theory has a monstrous secret. He isn't an ordinary search-and-recovery guide at Fiendworld, the world's premier magical-sinkhole-turned-amusement-park; he's a cursed, human-eating mantis. But not to worry. He's got an *excellent* solution for his particular diet. Whenever he's asked to retrieve the corpse of a lost adventurer, he simply snacks on a finger or two—no harm done.

That is, until he's given his latest assignment: recover the body of park management's missing son. Great. Yet another foolish wizard who got lost adventuring, and this time the direct descendant of the very person who cursed Theory in the first place. Worse, when Theory reluctantly sets off on the search, he's shocked to find the wizard somehow still alive.

Nim—the wizard in question—has no desire to be rescued. He's on a mission to the bottom of the sinkhole, and refuses to return to the surface before he gets there. He may be a subpar wizard, as his parents constantly remind him, but he's got a positive attitude, an enchanted backpack, and now a mysterious rescue worker to recruit to his cause! Even though said worker is quite rude and seems to be getting Nim *into* more danger than out of it.

To survive, Theory and Nim must brave man-eating fish, walls of tentacles, and devastating secrets: both their own, and ones the park desperately tries to keep hidden. And along the way, they may just discover that they're stronger together than apart.

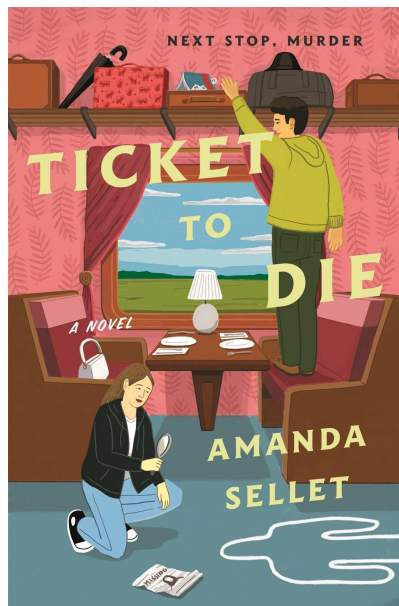

Contributor Bio

Lene D. Buttner lives in London, surrounded by various fluffy and non-fluffy pets. When they're not writing, they work in Computer Animation, where they spend their time exploding things and simulating toilet paper. They love everything sci-fi and fantasy and are yet to run out of book ideas featuring misunderstood, snarky monsters.

Quotes

"Unique, sweet, funny, and beautiful, this book is a treasure! Absolutely the most charming cannibalism novel I've ever read! I loved it!" —**Sarah Beth Durst, *New York Times* bestselling author of *The Faraway Inn***

"Tender, witty, and full of fiends you can't help but fall for, *When Life Gives You Corpses* is the kind of book you want to curl up with in a cozy cave and get lost in." —**Jason June, *New York Times* bestselling author of *Out of the Blue***

Ticket to Die

Amanda Sellet

A spring break excursion on a murder mystery dinner train goes criminally wrong in this follow-up to Amanda Sellet's YA cozy mystery rom-com *Flirting with Murder*.

Summary

High school junior Virginia Tillis isn't jetting off to Florida for spring break, so she figures the highlight of her week will be sleeping in . . . until her eccentric Grandma Lainey shows up at her house and invites her merry band of retired actor neighbors to crash the party—along with Felix, Virginia's new long-distance boyfriend.

When the entire group takes a ride on a murder mystery dinner train run by her grandmother's old friend Teddy, they expect to solve a fictional crime in theatrical style—until the leading lady vanishes at intermission, and Teddy becomes the chief suspect in her disappearance.

While the media goes wild, Virginia, Felix, and their geriatric crew have to figure out what happened to the missing actress, clear Teddy's name, and decide if dating someone in a different state is worth the aggravation ... before they reach the end of the line and spring break is dead in its tracks.

Contributor Bio

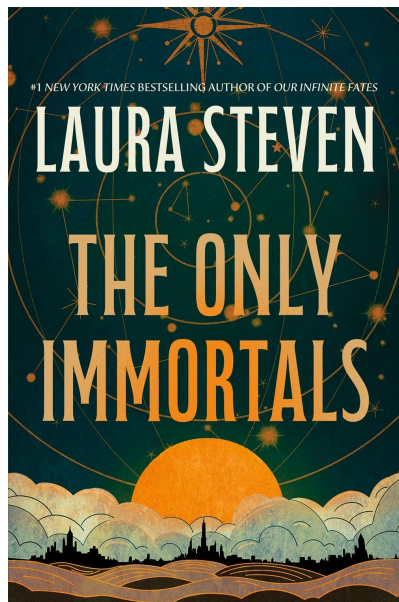

AMANDA SELLET writes lighthearted fiction for teens and adults. She is fond of old-fashioned things, including but not limited to the donuts. It is her great good fortune to live in a Midwestern college town with a wonderful bookstore and superlative bakeries.

Quotes

Praise for *Flirting with Murder*:

"There's a whimsical lyricism to the story's twists. Sellet makes supporting characters part of the fabric of this chosen family, adding a welcome dollop of agency and silliness to this truly enjoyable story . . . A sweet delight."—*Kirkus Reviews*

"A cozy mystery that readers will delight in and devour, with all the vibes of Jesse Q. Sutanto's *Dial A for Aunties* and Richard Osman's *Thursday Murder Club* that teens could want."—*School Library Journal*

The Only Immortals

Laura Steven

The next sweeping fantasy romance from #1 *New York Times* bestselling author Laura Steven, in which a notorious time-bending thief must steal the Philosopher's Stone and erase the man she loves from history to end the war between their rival clans.

Summary

Madelena Caravita is a leather-clad assassin who appears just before a killing and leaves only spilled blood behind. Except she isn't a killer. With her family's forbidden relic, the Lune, Madelena rewrites time itself, preventing murders before they happen. For centuries she's believed her family were the last immortals alive.

Until she meets Hendrie Strachan. Charming, reckless, and endlessly lonely, Hendrie has spent lifetimes searching for the Alchemist who made his family eternal. The person he believes he loves is still mortal, and he refuses to outlive them.

They start as enemies. But across decades of chance encounters and devastating wars, fascination ignites into something far more dangerous: love.

Then Hendrie steals the Lune.

Now Madelena has two orders:

1. Take it back,
2. Travel into the past to stop the Strachans from ever becoming immortal.

To save her family, she must erase his. As they march toward an all-out battle, Madelena journeys to the moment immortality was first created —where she will uncover the truth about Hendrie, the Alchemist... and the cost of loving someone across time.

Contributor Bio

LAURA "L.K." STEVEN is a #1 *New York Times*, *Sunday Times*, Indie & *USA Today* bestselling author from the northernmost town in England. She has published several books for young adults, such as the instant bestseller *Our Infinite Fates*, while the Silvercloak trilogy, written as L.K. Steven, marks her adult fantasy debut. When she's not writing, you can find her running marathons, baking cookies, playing old men at chess, or ignoring her family to perfect her Stardew Valley farm.

Quotes

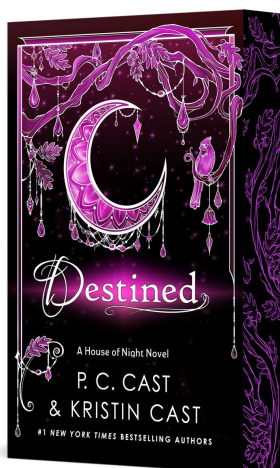

Praise for *Our Infinite Fates*:

"Impossible to put down." -V.E. Schwab, internationally bestselling author of *The Invisible Life of Addie La Rue*

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet—which would be a whole lot easier if the High Council saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together—if he can truly walk the path of the Goddess and stay free of his father's shadow.

But there are new forces at work at the House of Night, including the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more—or possibly less—than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him . . . Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him—and everyone—from his own fate?

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

At last, Zoey has what she wanted: the truth is out. Neferet's evil has been exposed, and the High Council is no longer on her side—so why is she far from done wreaking havoc in the vampyre world? First a mysterious fire ravages the stables, then, Neferet makes a devastating move that will test them all.

With the seeds of distrust sown, everyone must band together—but that's proving to be more difficult than ever before. The twins are barely speaking and the House of Night's former enemy, Kalona, has now become their warrior, pushing their trust to the limit. To top it off, Zoey is pretty darn sure she might be losing her mind—she saw something when she looked at Aurox through the Seer Stone that she can hardly explain to herself, let alone her friends. Is it possible that Heath has come back in a different form? Is that why Zoey's so intrigued by Aurox, when it's so obvious he's dangerous? And who would believe her if she told them? Zoey knows that following her instinct about Aurox might be just what they need to defeat evil . . . but if she's wrong, it could cause the destruction of those closest to her.

With the tension at a breaking point and friendships on the line, can the nerd herd come together to stop Neferet before it's too late?

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampires have always existed.

Summary

Drastically altered after her fall at the end of *Hidden*, Neferet is now more dangerous than ever—and her quest for vengeance will wreak havoc on humans, as well as Zoey and her friends. Chaos is loosed in Tulsa and the House of Night is blamed. Can Zoey stop Neferet in time to keep her anger from escalating to full-on war? Or will someone else have to step in to take the fall?

The *House of Night* series is an international phenomenon, reaching #1 on U.S., German, and UK bestseller lists, and remaining a fixture on *The New York Times* Children's Series bestseller list for nearly 150 weeks and counting. With more than 12 million copies in print, rights sold in thirty-eight countries to date, and relatable, addictive characters, this series is unstoppable. Now, in the eleventh and penultimate installment of the series, the action is more intense and the stakes even higher as Zoey and her friends battle to protect their school and home from devastating evil—all while balancing romances, precarious friendships, and the daily drama of the House of Night's halls.

P. C. Cast, Kristin Cast

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed.

Summary

In the final exciting novel in the HoN series, Neferet has finally made herself known to mortals as a Dark Goddess, and she is loose on Tulsa and the world. No single vampyre is strong enough to vanquish her—unless that creature has the power to summon the elements *as well as* the ability to wield Old Magick. Only Zoey Redbird is heir to such power...but because of the consequences of using Old Magick, she is unable to help. Find out who will win and who will lose in this epic battle of Light versus Darkness.

The House of Night series is an international phenomenon, reaching #1 on U.S., German, and UK bestseller lists, and remaining a fixture on *The New York Times* Children's Series bestseller list for nearly 160 weeks and counting. With more than 12 million copies in print, rights sold in thirty-eight countries to date, and relatable, addictive characters, this series is unstoppable. Now, in *Redeemed*, Zoey and her friends face the ultimate battle with evil, which will determine the fate of the world, both human and vampyre.

Unroyally Yours

A Novel

Emma Lord

***The Princess Diaries* meets *The Bodyguard* in this sparkling and frothy novel of royalty and romance, secrets and spies, from *New York Times* bestselling author Emma Lord.**

Summary

Rosie's name is synonymous with loyalty and protection. Part of an elite security training program for teenage recruits, her instincts are great. Her impulse control? Not so much. After an assignment gone wrong, she's shipped off to Europe on probation. If she messes up, she can't come back. Her job? To go undercover as the bodyguard for the long-lost prince of Marilova. There's just one problem: Rosie already knows him.

Nick's life has been a whirlwind ever since his identity was uncovered. Now he's been thrust into the spotlight as heir of Marilova, and tensions have never been higher. The Queen will spare no expense to keep him safe—including hiring a bodyguard. Except, Nick doesn't want Rosie's protection. They worked together years ago. He even saved her life once. But he has his reasons for keeping his distance.

As a plot against the royals unfolds, Rosie and Nick are thrust into an intricate web of secret alliances and courtly games as they unravel who wants Nick off the throne. But tensions have always existed between Nick and Rosie, and she wonders if she can protect the prince while also protecting her heart.

Contributor Bio

Emma Lord is a digital media editor and writer living in New York City, where she spends whatever time she isn't writing either running or belting show tunes in community theater. She graduated from the University of Virginia with a major in psychology and a minor in how to tilt your computer screen so nobody will notice you updating your fan fiction from the back row. Her sun sign is Cancer and her moon sign is whatever Taylor Swift song is about to pop up on shuffle.

Not Your Typical Love Story

C. R. Averett

***Loveless* meets *You've Got Mail* in a charming YA romance centering two aspec (asexual and aromantic) teens at the heart of their own kind of love story.**

Summary

Analeigh Tate has a plan: convince her parents that a musical theater degree is a serious career path. Unfortunately, this means begging her perfect older sister Natasha for help, which comes with strings: Analeigh has to prove she can get and keep a boyfriend for the next four months. She's never cared about dating, partly because she fears no one will be interested in an asexual girl, but how hard could it be? She's already guaranteed valedictorian since her academic nemesis Drew Eberstark left school the year before, so a boyfriend should be easy.

Drew is not keen on returning to school after his very public breakdown last year. But his comeback becomes ten times worse when he learns that his anonymous online best friend—who he just asked to meet in person—is none other than Analeigh Tate, a girl who hates his guts. Desperate not to lose his only friend, with whom he's shared his uncertainty about identifying as asexual and aromantic, he comes up with a solution: offer to be her (fake) boyfriend.

While Analeigh struggles with the fact that her once-mortal enemy is kind of amazing, Drew struggles with his growing web of lies. When the truth finally comes to light, Analeigh and Drew will have to decide if their friendship is worth fighting for, and if there's a happily ever after to their (not so typical) love story.

Contributor Bio

C. R. Averett is a former editor at Little, Brown Books for Young Readers and JIMMY Patterson Books, and currently works in production at Running Press, an imprint of Hachette Book Group. She grew up in the middle of the forest in a small town in upstate NY you've probably never heard of, on top of a hill you'll probably never find, and writes about flawed characters, small towns, and people who're just trying their best.

Quotes

"Incredibly heartwarming, full of teen angst, joy, and everything in between. *Not Your Typical Love Story* is a more-than-welcome addition to the growing canon of aromantic/asexual young adult fiction, and I dearly wish I'd had this as a teen myself."
—**Ann Zhao, bestselling author of *Dear Wendy***

"Heartfelt, smart and wholly original... *Not Your Typical Love Story* is not to be missed." —**Emily Wibberley and Austin Siegemund-Broka, authors of *Reese's Book Club Pick Heiress Takes All***
